

# Game Day Report – Tuesday 12<sup>th</sup> May 2026

Hi All, We had 74 players on the NORTH course playing “ROLL the DICE” which is one of our more challenging competitions.

## Sponsor for the day was **THE CART DOCTOR**

We were lucky with the weather, and the PRO SHOP changed the AM fields' competitions to 9 holes because of the FOG that hung around in the morning. We started on time after adjusting starting tees (a request from the PRO SHOP) and implementing some late team changes because a regular player turned up having forgotten to book in. Added to this, we had one member go to the wrong tee, (where the team on this hole were a 3) and he played the comp in this group. You will see that we included this person in both the group he was supposed to play with, **and** the one he played in (It had no impact on the team results). This only highlights the importance of members paying attention to the team announcements pregame.

**OTHER MATTERS**

We have been receiving feedback that some members are not receiving our weekly TOTTS report (yes this one)

We asked those not receiving the report to check their email settings, and SPAM folders, and if not receiving the report to let us know next week so we can check our files and update if necessary. These emails are important and are how we inform ALL our members of what's happening in TOTTS

In the pregame announcements Neil Jones mentioned that he had heard from Tom Gomez re Arlene's condition as she is still in hospital following her surgical procedure

We ALL wish Arlene well and are thinking of both Tom and Arlene during this challenging time

We also had our lucky members draw which was held over from last week, 10 lucky winners!

**Enjoy your golfing week**
