

# Game Day Report – Tuesday 10<sup>th</sup> February 2026

Hi ALL

Tuesday, we had 75 starters on the CHAMPS course playing a combination of two of our regular games (TOTTS 4,3,2 and SIXERS) in good weather. This week's game followed our **2026 Awards night**, celebrating TOTTS achievements and failures of 2025, which was held on the Monday evening. This was a great evening with excellent food, service and a DJ getting lots of people on the dance floor after dinner and presentations.

As well as our TOTTS members and their partners we had a number of sponsors in attendance: Frankston Ford, Travel Advisors, Off Ground Security, The Cart Doctor, and Launch Health. Also in attendance were our CEO Dean Jamieson, Executive Assistant to the CEO Rishele Tocchetto, Chairman of the Board Stephen Short, Directors Neil Jones and Tony Packard, Manager of Golf Operations Jon Abbott, newly appointed Club Captain Rob Richards and newly appointed Vice Captain Nola Ryalls.

Rob Richards (Club Captain) spoke at our AWARDS night acknowledging the contributions that TOTTS make to the various club activities, including “The Longest Day”, The Easter Good Friday Appeal”, “Pennant Teams”, Pink Day” support as well as other contributions

He also acknowledged that TOTT are an important and unique part of the fabric that makes up the SANDHURST CLUB, importantly he commented that we are not a club within a club, something that the TOTTS committee have been focussed on for many years, and he issued us a challenge for the future. Rob indicated he sees TOTTS having an increasing role in the club, he supports TOTTS and would like to see TOTTS more involved in more support activities including supporting our junior golf programs

Rob also said he looks forward to playing in some of our TOTTS events during 2026

Our committee will be looking to working with our new club captain and vice-captain to explore different opportunities. ALL our members are welcome to put forward their ideas as to how we can expand TOTTS in the future, please contribute by discussing with either David Storey or John Tessier
