Our Sponsor for the Day: Launch Health

Hi all, today we had a final number of 41 one players. Numbers have been down the last 2 weeks due the Pan Pac's last week and the Stagga competition this week however everything should be back to normal in the coming weeks. The usual happened with late pull outs and some very late registrations which always make for a stressful few minutes before team announcements. The game for the day was Sixes with the course playing short as possible by including the Green and White tees. Strangely this did not seem to be reflected in the scores with most being the same range for a best of 3 Stableford competition.
