

Game Day Report – Tuesday 16th September 2025

Hi All

Tuesday 16th September, we had 47 starters for one of our featured games “ROLL the DICE” which I believe is a game of luck in accessing the holes where you score double points. We played the CHAMPS course on a typical Sandhurst windy September day, and a highlight was Peter Crowe having an EAGLE 3 on the third hole, well done Peter!

Our sponsor for the day was MANLIFT HIRE

Sponsorship

Last Tuesday Michael Dillon announced we have a new sponsor on board supporting TOTTS with Richies IGA now a sponsor.

Our income comes from 2 sources, our weekly \$5 comp fee, and the sponsors' contribution. This income finances our expenditure which includes weekly comp prizes, monthly \$50 cash draw, BBQ's (4 of this year), trophies for awards night, a subsidy towards Award night costs; in addition, we have supported several worthy causes.

Currently our sponsors are: -

Launch Health Group (Physio)

Travel Managers

Off Ground Security

Marksman Electrical

Manlift Hire

Frankston Ford

Fat Chef

Richies IGA Carrum Downs

The Richies IGA sponsorship is potentially a game changer for TOTTS in that this is a rewards-based structure. We encourage our members to get on board and obtain a Richies IGA members card if you currently don't have one. It is important that you link this card to TOTTS at Sandhurst Golf Club email

If members need help in setting up an IGA card Michael Dillon can assist you

If you are interested in getting your free discount card for yourself, or family, we can create one for you with your phone number and/or email address and have it ready for you to pick up at TOTTS registration of your next Totts game. Just simply email Michael with your requirements and it will be organised. Michael Dillon mikedillon403@gmail.com 0422 109 231
