

Game Day Report – Tuesday 20th January 2026

Hi ALL,

Tuesday, we had 76 booked for TOTTS on the North course, a late cancelation and an injury withdrawal after 2 holes (Paul Conway) reduced the field to 74 players. We were on the NORTH course and the scoring was unbelievable; so much so we have decided to add a new category to our record keeping for this year, to be called the “BANDITS CLUB”. We had 52 of the 74 players score 36 points or more on the day. Of these 25 scored 41 or more points and they are now officially “BANDITS” (see individual scores below). Card checking highlighted several errors and/or omissions, fortunately none of these affected the announced results. On group managed to score 19 holes (well done), there were 8 score (points corrections) 7 added extra points, one shortchanged his team a point and there were 4 cards where the scorer failed to indicate which players had the drive on a hole. We welcomed Darryl Jopling as a guest of Glen Ashton, and Darren Woodward for his first game of TOTTS as well as acknowledging RAY MARSLAND as it was his birthday

Our sponsor for the day was THE CART DOCTOR

OTHER MATTERS

CART PARKING

Members are reminded that the cart parking restrictions announced by the CLUB on Friday October 3 via email to ALL members "Operational Update – Contacts & Community" still apply. These have been put in place to allow emergency vehicle access in the driveway area where we congregate each Tuesday outside the members bar. Many members may not be aware that the fire emergency hose connections are inside the garden area in the turn around area, out of sight unless you go looking for them. Your continued cooperation in adhering to these parking restrictions is appreciated (and has been noted by club administration)
